OFFICE OF LEGISLATIVE COUNSEL

Monday - 6 February 1967

25X1 1. [ ] (JSW) Cord Meyer visited with Senator J.W. Fulbright on 4 February 1967 with the approval of the Director to seek the Senator's thoughts regarding the forthcoming revelations of relationships between the Agency and other organizations. Mr. Meyer is doing a memorandum for the record with the details.

25X1 2. [ ] (JSW) Eugene Kinnaly, in the office of Speaker McCormack, said he had received a note from [ ] who indicated everything had worked out fine. Kinnaly was calling to advise me of this and to again thank the Agency for its cooperation. 25X1

25X1 3. [ ] (JSW) Talked with Mr. Robert Michaels, House Appropriations Committee staff, indicating that we had no exceptions to our policy of dependents only for summer employment and that we felt there were good reasons for making no exceptions. He understood this fully. I believe there is no problem on this. Mr. Michaels also indicated that the Chairman did recall some sort of a letter from the Chairman of the Joint Chiefs of Staff on the proposed Export-Import Bank loan for the purchase of machine tools for the Fiat plant. However, it is not in the Committee's files and he will check in the Chairman's personal office.

25X1 4. [ ] (JSW) Mary McFall, of the Senate Foreign Relations Committee staff, called indicating that Senator Clark who was in the Committee's rooms at the time, would like to have available to him a copy of Friday's transcript of the Disarmament Subcommittee briefing. Arrangements were made to make this available.

25X1 5. [ ] (LLM) Mr. Howard Adler, Staff Assistant to Representative Richard T. Hanna (D., Calif.) called to arrange a

[ ]  
p.m. and Mr. Adler was so advised. 25X1
